

Service Area Editor Sign Up Form

If you represent a utility company who is a member of Mississippi 811 (MS811) and would like to view or edit your underground utility service area, please complete the form below. MS811 will send you an email confirmation when we have completed setting up your account. We may contact you if additional information is needed.

Please list all Dispatch Codes you will need access to. If you do not know your dispatch codes, list the company name(s).

How do you intend to use the Service Area Editor?

- Viewing Service Area(s) Only
- Viewing & Editing Service Area(s)
